

**Blair Janis** - is the Director of Software and Technology at WealthCounsel, LLC where he provides technology systems and education to estate planning attorneys. He is also adjunct faculty at BYU Law School where he teaches courses in legal technology, focused on the use of technology in the practice of law. Blair has more than 20 years of programming and system development experience. Prior to joining WealthCounsel, Blair was the Practice Applications Manager at Ballard, Spahr, Andrews & Ingersoll, where he developed and applied practice-specific technology for the firm's attorneys. Blair received his JD, cum laude, from the J. Rueben Clark Law School at Brigham Young University.
