V-CARD

Mr. Blanchard advises business owners regarding tax and business matters related to entity formation and operation, asset protection, business transactions, and real estate sales and exchanges, with particular expertise regarding partnership, limited liability company, and S-corporation tax and structuring issues. His practice also includes working to resolve problems encountered in structuring, forming, and financing real estate development ventures. Other areas include working with not-for-profit institutions and advising business owners and individuals regarding business succession and other estate planning issues. Prior to joining Durham Jones & Pinegar, Mr. Blanchard spent several years as an attorney in the tax section of a large Milwaukee-based law firm.
