Re: v.....
Case No.: 10-.....

Subject: Ivie & Young Subpoena for your records Re: [patient/employee]

Dear Custodian of Records:

This office represents Plaintiff í í .. in her claims in the above referenced lawsuit. Recently, the defense firm í í í served, or is about to serve, you with a "Subpoena Duces Tecum," a subpoena to produce records about our client, í í í .. I believe the subpoenas are objectionable and I am filing a motion with Judge í .., who is the judge presiding over this lawsuit.

Judge í .. will decide if the subpoenas are valid or invalid. Until Judge í í rules on my motion, you are not to send any documents to í í í .

We will notify you of the Judge's ruling. It may take from 6 to 10 weeks before the Judge will rule on the motion. At that time, you will be told if you need to produce any records or which records you need to produce.

You are now on notice that Plaintiff objects to the Subpoenas to produce medical records and the motion is going to be filed with Judge í í . Accordingly, please do not send any documents at this time.

Please feel free to contact me if you have any questions. Thank you and I remain,

Very truly yours;

JOHN F. FAY
