State Court Administrator

Deputy Court Administrator

Dear Juror:

The Utah Judicial Council conducts a survey of jurors on the performance of Utah's district court judges. I seek your assistance in this important effort to help improve the judiciary. The enclosed surveys ask you to evaluate the judge for whom you served as a juror. The results from this survey will be used by the Utah Judicial Council to evaluate this judge for retention election. Just as important, the results will be used by the judge for improving his or her performance. Finally, the results will be published in the voter information pamphlet prior to the judge's retention election.

Your responses are confidential and your name will in no way be associated with the results. Please take a few minutes to complete the questionnaire. After completing the questionnaire, place it in the white business reply mail envelope. We have also provided a comment sheet for providing both positive and negative comments that may enable the judge to improve performance. When you have completed the comment sheet, place it in the smaller white envelope addressed to the judge. When all jurors have finished, seal both envelopes and leave them. They will be delivered by court personnel.

Thank you for your participation,

A handwritten signature in black ink that reads "Christine M. Durham". The signature is written in a cursive style.
