CLE SELF-REPORTING FORM FOR MENTORS

This form must be completed by Court-approved mentors sharing mentoring responsibilities with another Court-approved mentor. The form will assist the NLTP in allocating CLE credits in these mentoring relationships.

As a reminder, there are a total of 12 CLE credit hours available for mentoring a new lawyer—10 regular CLE credits; 1 ethics and 1 professionalism. Where mentors share mentoring responsibilities each Court-approved mentor is eligible for approximately one credit hour per month of mentoring.
